1 Kenwood

Bids that purchase a complete lot of radios or bids that are most advantageous to the District will be given preferential treatment. Due to the fact that radio equipment quantities are approximate, a “lot” bid that includes a “per unit price” is required.

The Board of Directors reserves the right to reject any and all bids and to waive any irregularities therein and to accept the bid or bids that is most advantageous to Mehlville Fire Protection District. Mehlville Fire Protection District will not discriminate against any bidder on the grounds of race, color, sex, religion, national origin, age, disability, citizenship or any other protected status with regard to the sale of any of the items listed above. The decision of MFPD shall be conclusive and final.

Edmond J. Ryan  
Secretary, Board of Directors
